State Roofing Company
522 Hancock Ave. #337
Corpus Christi, TX 78404

I really must compliment the service State Roofing Company provided me when I had roof damage and did not know where to begin. The problem was taken off my hands and every detail was seen to by the Company's very able and considerate representative. All I had to do was pick the roof color I preferred.

Then, one morning the roofers arrived and that evening they left me with a beautiful, quality roof that I am proud of. Before they left, they gathered up ever scrap of left-over material and left no evidence of their activity.

I would recommend State Roofing Company to anyone who wants great service and a great roof. They are professional, expedient, and considerate.

Sincerely,
