

Hello...

From the first "Hello", we have had an incredibly, wonderful experience with your manager & the crew. Polite, courteous, respectful & honest are just a few of the words I would describe the employees who worked at our house.

From the 1st day they arrived before "on time" & worked every day more than 8 HRS. They were cheerful as I arrived home each day with a "hello!!" As they worked, too, we could hear them laugh — like they were happy to be here & working. Always so friendly & concerned that everything was OK. You just DO NOT get that anywhere! Really → NO where 😊

Obviously customer service means a lot to us, we were kept informed of every step that was happening.

It was timely & accurate.

Just look at our roof! It's gorgeous.

We cannot brag enough on your company & your employees! They & you are the best!

Merry Christmas!

Love & Thanks
